

Library Appreciation Day 29th April, 2023

Library Appreciation Day for the teachers was organised on 29th April 2023 to appreciate and motivate the teachers who participated in book review presentation organised by the library and also who contributed to development of e-content for the library repository thus helping us to give added services to our readers and promoting reading culture . One teacher can motivate a thousand students. Every effort promotes the usage and promotion of library and it's resources.
