

DR.RIZVI DIGITAL LIBRARY AND RESOURCE CENTRE FOR SPECIALLY ABLED

Rizvi College of Arts, Science and Commerce
Off Carter Road, Bandra(w), Mumbai-400050
Email: rizvilibrary@rediffmail.com

OUR LIBRARY

With our President Dr. Akhtar Hasan Rizvi's and Director Advocate Rubina Akhtar Hasan Rizvi's direction the library saw a new dawn. Understanding the importance of the library they initiated the renovation of the library. It changed from an old traditional library to 21st century digital library. A beautiful well furnished library has been set up with easy access to books and periodicals. Twenty two computer access points has been provided for accessing digital / electronic resources and promoting research. Our Library was inaugurated by Shri .Vinod Tawde, Minister of Higher and Technical Education and Shri. Ashish Shelar, Minister of School Education. Many dignitaries graced the inaugural ceremony and took special interest in our Digital Library.

VISION AND OBJECTIVES

- ▶ **To Provide Value Added Services.**
- ▶ **To Serve as Knowledge Hub of the College.**
- ▶ **To Create Knowledge Enriched Citizen for Nation Building.**
- ▶ **To provide access to anyone who has a thirst for knowledge.**
- ▶ **To be all inclusive and cater to needs of the specially-abled.**
- ▶ **Promote international and intercultural understanding.**
- ▶ **Expand the volume and variety of cultural content on the Internet.**
- ▶ **Provide resources for educators, scholars, and general audiences.**
- ▶ **To collect, organize & collate print & digital information & disseminate at the point of care and for future use.**
- ▶ **To provide seamless access to information .**
- ▶ **To act as gateway to digital and electronic information .**
- ▶ **To develop in to a single access point library.**
- ▶ **To develop and conduct tutorials for the users to enable them to effectively utilize the facilities and resources made available by the library.**

RESOURCE CENTRE FOR SPECIALLY ABLED

To give equal opportunity to the low vision and blind readers ,a special cell is made where students have access to Clear reader machine and computer screen reader software .

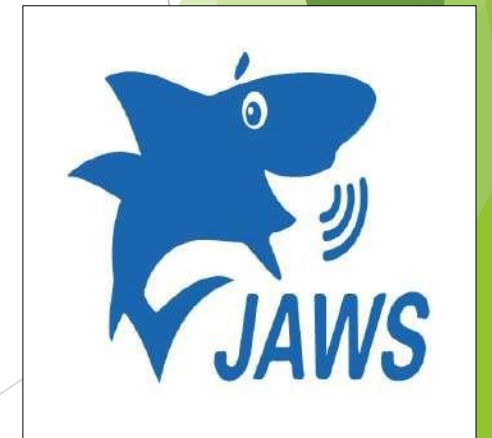

SPECIAL FEATURES

* A **Special cell** for the Differently Abled readers has been created for giving them easy access to resources of the library.

* **Optelec Clear Reader machine** has been installed, which reads the scanned pages for the visually impaired.

* Installation of **JAWS** and **NVDA** screen readers for low vision readers to use the computers.

SPECIAL FEATURES

* **Kibo** (an acronym for **Knowledge In a Box**) is an AI-powered assistive technology, primarily in the form of a portable scanning and reading device (Kibo XS) or mobile app, designed to help blind, visually impaired, and print-disabled individuals access, read, and digitize printed and handwritten documents in real time. Developed by Trestle Labs, it is designed to promote **inclusive education** and employment by converting text to audio in over 60 languages, including 13 Indian languages.

Listen | Translate | Digitize | Audio'tize
printed, handwritten and digital documents
across 60+ global languages

PATENTED

Lives
empowered

Making schools, colleges, libraries, offices, NGOs inclusive across:

- Digitization & Translation needs
- SMART language learning labs
- Digital Inclusion for disabled students
- Accessible eBook/audio-book creation

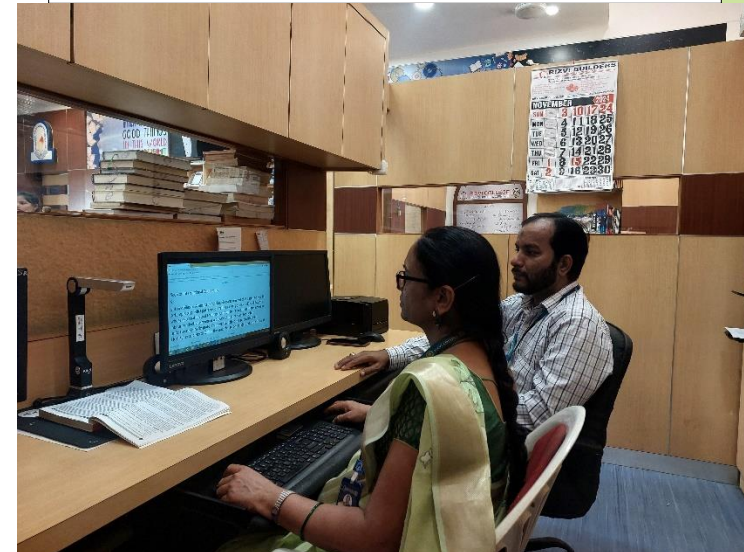

We recommend educational institutions to experience and evaluate Kibo's use in their institutions.
- **Prof. Amarendra Behera, Joint Director, CIET NCERT, New Delhi**

Some of our customers

Bengali, English, Gujarati, Hindi, Kannada, Malayalam, Marathi, Punjabi, Sanskrit, Tamil, Telugu, Urdu + 48 others

Helps comply with NEP, NAAC, UGC, CBSE Guidelines

ACTIVITIES

* To promote the facilities of the resource centre various sensitization and awareness workshops have been organized over the years in collaboration with St.Xavier's Colleges Xavier's Resource Centre for the Visually Challenged (XRCVC) .

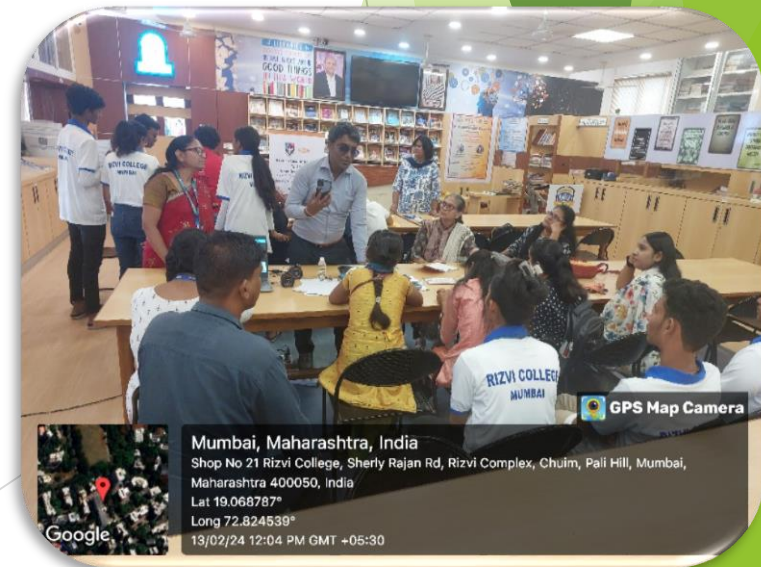

* The centre is open to all specially abled individuals irrespective of age and educational qualifications.

* A WhatsApp group of visually impaired persons is created to inform them on upcoming programs.

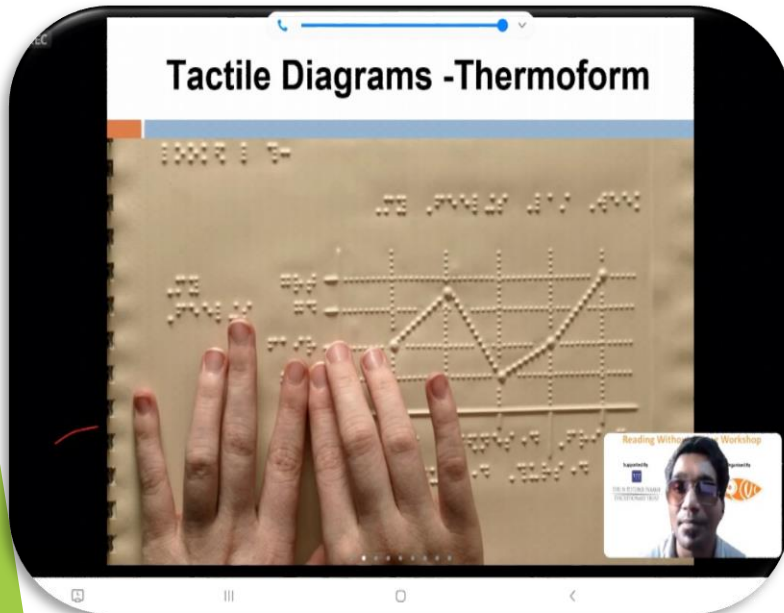

* The centre helps in bringing visually impaired runners to the annual Marathon organized by Rizvi Management.
